Let's Eat

Quick Creamy Banana Pudding

2 (1 ounce) boxes instant sugar free
vanilla pudding

3 cups skim milk

1 (5 ounces) container low-fat vanilla
Yogurt

1 (8 ounce) container creamy frozen
whipped topping-thawed

4 ripe bananas

48 vanilla wafers

In large bowl, whisk together the
pudding and milk until smooth

Stir the yogurt into the pudding
mixture; fold in whipped topping
and set aside.

Peel and slice bananas into ¼-inch thick
round pieces and set aside.

In the bottom of a trifle bowl or a glass
dish, layer one-third of the cookies,
one-third of the pudding mixture and
one-third of the bananas. Repeat layers

twice more, ending with pudding
mixture. Refrigerate until serving.

Top Healthy Meal Planning Tips

If you're new to meal planning, start small
and work up to more. Try these tips to get
you started.

Make a grocery list. Start by listing all the
ingredients for meals you plan to make.
Look in your freezer, cabinets, and
refrigerator to see which ingredients you
already have. Cross off any ingredients you
already have on hand. Don't forget to
include foods like fruits, vegetables, and
milk that might not be part of a recipe but
are basics for healthy eating. Keep an
ongoing grocery list in your kitchen or on a
free mobile app and add items as you run
out.

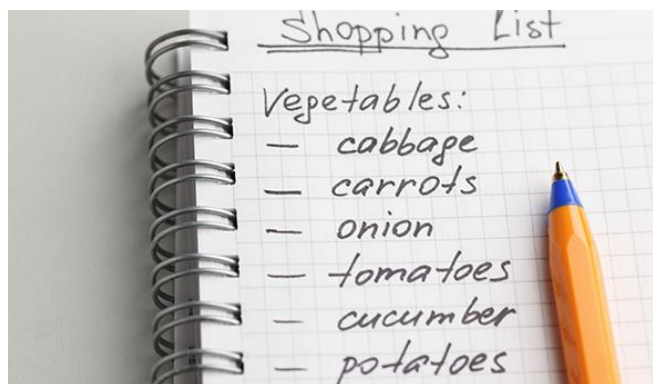

Cook once... eat all week! Prepare a large
batch of favorite recipes on your day off
(double or triple the recipe). Freeze in
individual containers. Use them throughout

the week and you won't have to spend money on take-out meals.

Plan to use leftovers. Think about larger recipes with enough servings for multiple meals. This can reduce the number of ingredients you need to buy and save you time preparing another meal. Freeze leftover soups, sauces, or gravies in small reusable containers.

- Something you wear that is green
- Something to eat that is green
 - Name as many green foods that you can think of.
- A toy that is green
- Find different shades of green
- Count the green items as you find them
- Look for green road signs
- Color a page using only shades of green
- Try new green foods

Use this time as special family time. Listen and connect to your child as they explore, find, and try new things.

Play Time

Plan a Scavenger Hunt

Look for things that are green!

- Something green inside
- Something green outside
 - Name the different outside things that are green
- Something you play with that is green
- Something to color that is green
- Something in your room that is green
