Completed County Agricultural Investment Program (CAIP) applications are required to be turned in at the Muhlenberg County Cooperative Extension Office **no later than 4:00 PM on Thursday, August 29, 2024.**

Cool season grasses can be seeded through mid September. Scan the QR Code with your smartphone for the latest variety trials for forage varieties.

Scan the QR Code for an instructional video on **calibrating a grain drill for hay or pasture seeding.**

September is a good month to control weeds in hay fields and pastures. Mowing or herbicides can be utilized. Scan the QR Code for a good publication from the Alabama Extension Service on calibrating both a boom and a boomless sprayer.

Scan the QR Code for access to the AGR 207 **Broadleaf Weeds of Kentucky Pastures** publication.

The 2024 Intermediate Grazing School will be September 25-26 in Versailles. There is a 35 person limit. Don't delay if you want to attend. Scan the QR Code for more information.

Switch the cattle mineral to a high quality two to one when flies are no longer a problem. Producers with fall calving cows may want to consider feeding a high magnesium mineral especially if the pasture has an abundance of lush grass.

Beef Quality Care and Assurance (BQCA) program is available online and free for the month of September. Visit the Kentucky Beef Network website (<https://www.kybeefnetwork.com>) for more details.

Join us at the Muhlenberg County Cooperative Extension Office on Saturday, September 14 from 9 AM to 12 PM for an Extension Extravaganza! This is a fun, free, family-friendly event showcasing everything Muhlenberg County Cooperative Extension has to offer the community. There will be free food, giveaways, petting zoo, several activities for kids, and information on all upcoming Extension events!

Soil Test Vouchers are no longer available at the Conservation District for the time being. However; the Extension Service is offering free soil testing for producers.
